

Social and Emotional Learning and Young People's Futures

PANELISTS' RECOMMENDED RESOURCES

Building Connections Webinar: <https://casel.org/weekly-webinars/>

From CASEL

- [MAPS - Methods for Academic and Personal Success](#) - A video from Austin ISD on an SEL class for first year high school students called MAPS: Methods for Academic and Personal Success
- [Respected](#) - Perspectives of Youth on High School and Social and Emotional Learning
- [CASEL Guide to Schoolwide SEL](#) - Foster supportive classroom environments that engage in explicit SEL and integrate SEL throughout instruction.
- [Teacher Small Group Discussion Guide: Building a Supportive Learning Environment for Middle and High School Students](#) - This tool provides readings, individual and group reflection questions, and activities for small groups to discuss and support each other to implement practices that strengthen learning environments. Use this as a source to strengthen collaboration, relationships, knowledge and skills over the course of the school year.
- [SEL in the Classroom Self-Assessment](#) - This tool can be used to assess strengths and areas to develop for promoting SEL through explicit instruction, integration into academic instruction, and a supportive classroom climate.

From Keith Matheny, Launchpad

- [SEL launchpad](#) - launching SEL programs, providing best practices for developing strong SEL programs, and training teachers to teach SEL skills in engaging and effective ways.
